Day to day member s of the

Nurses at the clinic

The Madeline Sewing Center and Sewing School

The sewing center has been in operation since 2004. This year three students graduate. The fashion show continues each July.

The ELCH women of the Madeline church will be also using the equipment to sew school uniforms from a small grant contributed by LMA. They continue to use the rooms for bible study and as a kitchen for church gatherings.

Needs for the sewing center are cupboards, a propane gas stove, locked storage units, thread, crochet thread, yarn, church kitchenware, utensils, plates and silverware and more space.

After church many of the
church members get a ride
home, some walk
2-3 miles to church*

The Madeline School in Cap-Haitian
Finals week in June 2010

The Madeline School/Church and Sewing Center and some of our Madeline School teachers

We are so happy and proud to have dedicated teachers!

They are educating Haiti's Future

The Adopt a Student Program is important in reaching the goal of keeping Haitian Children in School. We are so happy many of you have chosen to adopt a student but we still do not have enough to cover the cost of the many needy families in the area nor teacher wages from year to year.

Lori Salvhus teaches English to Seminary Students and others in the Madeline Community June 2010

Learning English is a huge opportunity. Lori had over 30 students this past June some returning for the third year. To the right Lori with a wonderful Peace plant at the Bernard's home.
