

# WE'RE BUILDING A CHURCH AND SCHOOL!

**NEEDED:** cement, sand & gravel, rebar, lumber, windows and doors, sheet metal, rocks for the foundation, and money to pay the Haitian workers.

We already have most of these: desks, books, pencils and paper, maps, blackboards, kitchen supplies, appliances.

The church and school at **Gloria Dei Lutheran Church** are located in a very poor area of Cap Haitien. They have been meeting in buildings LMA rented for the past six years with the school of about 80 students using the rooms during the week and the worshippers using it on Sundays for Divine Service. LMA has purchased a lot but doesn't have funding to build a building. There is little in the collection plate on Sundays, so it would be virtually impossible for this Haitian congregation provide the money to construct the building themselves. These brothers & sisters in Christ faced floods recently, and often suffer malnutrition and illnesses. A donation paid for a well at the site, but it will not be operational until the building is complete. About \$45,000 is needed for the project.

Spring, 2013
