

T-Shirts Diaper Pattern

- ❁ T-shirts of 50-100% cotton, size large or larger.
- ❁ T-shirts should be in fairly new or slightly worn condition in any color or with designs
- ❁ A cutting matt with grid and a roller scissors make cutting fabric easier.
- ❁ Sewing machine with a zig zag function.

Figure 1

Steps

1. Lay T-shirt on cutting mat.
2. Cut off hem.
3. Cut off sleeves
4. Cut across the under arm section so there is 16 inches of T-shirt from hem line.
5. Cut up the middle of the front portion of the shirt.
6. Fold open and cut off excess fabric so piece measures 38" by 16"

Figure 2- 38"by 16"

7. Fold the length of fabric so the design is on the inside and not seen.
8. Measuring from the left, fold 12" of material to the 25" mark.
9. Measuring from the right, fold 12" of material to 1" from the left fold to create a 13"x16" piece.
10. Fold under raw seam on left seam and zigzag seam to catch all three thicknesses.
11. Sew zigzag on the right seam to catch all three thicknesses.
12. Surge top and bottom.
